Lexus Center Project in Riyadh for Abdullatif Jameel Co. Ltd.
 Concept Design Competition

Announcement of Winners

Dear Sir,

As the evaluation of the submitted proposal is concluded, on behalf of the Client, Saudi Projacs would like to start first with an apology for the delay in declaring the successful winner of this competition, which was due to unforeseen circumstances, and secondly to convey an appreciation message for all who participated in the competition and showed a high professional commitment.

The proposals were evaluated according to the weighing criteria's highlighted in the RFP; the results for the schematic design submitted are as follows:

Position	Name	Remunerations
Winner	TYA - associates Jeddah, KSA	The Project Contract
First Prize - Next to Winner	Architectural Design Engineers' (ADA)	SR 38,000
Second Prize (jointly)	Otaishan Consulting & Eng. (OCE) & Rafael Madina & Associates	SR 14,000

We would like to congratulate you all again for the good effort shown, and would like to request the bank details and preferred way to transfer the prizes. Congratulations to all !!

Very Sincerely

 Jihad Usta
 Vice President
