To Whom It May Concern:

I am pleased to offer this letter of recommendation for Architectural Design Agency (A.D.A. Ltd.) and Ivo Pantelev. We had the pleasure of working with Ivo and his partners, Ruman Parvanov and Kristiana Nikolova, on the new American Embassy project in Sofia. A.D.A. was selected in December 2000 to assist us with the design of the new facilities, obtaining local approvals in the selection of indigenous materials, and with local construction techniques. Ivo provided staff to assist us in the construction of architectural models and generating computer graphics. Ivo, Ruman, and Kristiana also traveled to the United States to participate in our design presentation at the State Department in January 2001.

We found A.D.A. to be very capable in all areas. They were prompt, efficient, and responsive in all tasks. Their computer skills proved to be excellent and they were extremely easy to work with. I would recommend them for a similar role on any other project. We plan to continue our relationship with the firm on the American Embassy and look forward to other opportunities to work together in the future.

Please feel free to contact me if you require any additional information.

Sincerely,

ZIMMER GUNSUL FRASCA PARTNERSHIP
